Programs

Connie Schroyer and Tyler Connell reported on their trip to Italy in 2009, with an interesting power point presentation and many historical facts. Kathy Puhr with Good Samaritan Clinic was here last week. GSC was established in 2006 to serve adults ages 18-64 who are homeless, have no insurance, and are at poverty level. Funding comes from 6 churches, West Volusia Hospital Authority, and private donations. GSC is one of some 1,000 free clinics in the United States.

OUR VISION:

Kiwanis is a global organization of volunteers dedicated to changing the world one community and one child at a time.

Objects of Kiwanis

- To give primacy to the human and spiritual rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and the application of higher social, business, and professional standards.
- To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

Kiwanis Business

Karen Devane thanked our club on behalf of Woodward Avenue Elementary for the school supplies we donated to them. We also donated boxes of Kleenex to local school teachers through G.I.F.T.S. Mayor Bob Apgar and Shirley Ellison were recently recognized at the Kiwanis Night at the Stetson Women’s Basketball game on January 21 as “Champions of Youth Activities,” with Althea Ross-Chavers recognized as a cancer survivor. Our club’s 75th anniversary is coming up soon, so more information will be forthcoming as to how we will celebrate this milestone. More volunteers are still needed to read with first and second graders at Starke and Blue Lake Elementary Schools.

Happy Birthday
