Treasurer Angela Page • Secretary Diana Christen
Directors: Tisha Richardson • Laura Zublionis • Monica Oliver • Zsuzsa Kormendy • George Zampel

"Hugs" Finally Given...Relay For Li

A team of Kiwanis members, and members of the Old Kings Elementary K-Kids assisted in giving the bears and stuffed animals that we have collected over the past months to surviving cancer patients. There were very few children but the adults just loved the bears and animals just as much! Defiantly a Kiwanis Moment for all to savior. By the end of the first lap of the relay, bears and little animals were hanging from almost every belt and waist, with some hats also being sported. It was very much fun and also served a great cause in helping the cancer survivors smile at least once that day.

Thanks to all the hard work by all of our members over the past 8-10 months that we have been together. We have accomplished a lot in a short amount of time. The Relay For Life event was a great way to reap the benefits for the work we do for this county and its' families who have been touched by Kiwanis.

Gage Gajo, President Sandra Abraham, along with Oral and Kathy Groves, assist the K-Kids in giving out ribbons and medals to wear.

These tags were put on the animals by Kiwanis members.

Guest Speaker

You do not want to miss this weeks Guest Speaker!! Drop what you are doing and come to the meeting on June 2nd. This is not a meeting to miss, you won't e sorry.

Doug Baxter, President of The Flagler County Chamber of Commerce, will bring to us what he does best. And that is assuring all of the fact of how lucky we are for being here in Flagler County, at this point and time in our lives.

Like our slogan, "A New Wave of Commitment", Mr. Baxter has brought with him to this county just the same. A true vision of to get through this time of an unruly economy, and to stand tall in all of our businesses, and to plainly move on to the next level of prosperity and strong economic recovery. He refuses to sit back and let this talk of bad economy rule the business community.

Along with this new commitment, he also is making huge advancements of helping business members reap the benefits of their peers. He has implemented several programs for Chamber members, including a great program with Flagler Hospital offering members discounts on medical needs they may have.

Please let's show a warm welcome to Doug Baxter this week. Attend the meeting, and bring a friend!

Don't forget, our club is now a member of the Chamber of Commerce. This makes you a member also. Please try to learn of all the Chamber's benefits for its' members and support the Chamber of Commerce.

Dedicated To Changing The World One Child And One Community At A Time

International Convention

The International Convention is quickly coming up on the calendar. We hope to help Stan Storey win a seat on the International Board as Vice President.

As told to us by George Langguth, Florida has a powerful voice in the Kiwanis World, so hopefully that will give us a good head start in getting "Our Man Stan" elected.

The convention will be held in Nashville, Tennessee this year, June 25-28.

We still need to collect \$2 from each member to help Stan with his campaign costs. We would like to send the funds for the campaign ASAP so please try to get them in to the club.

The monies collected towards Stan Storey's election campaign will be turned in at the June 2nd meeting. It will be a good meeting to attend and listen to our guest speaker, and at the same time show support for our club and Stan Storey.

Leaders Among Us...

We seem to have a great group of members, who all bring with them professionalism, comradery, and now leadership skills?

Has one of us moved forward to the next level? Seeking to lead the followers? How lucky can we all be.

Communication Icon, Laura Zublionis, radio personality, spokeswoman for countless clubs and entities, and a friend of ours, has recently graduated from Class 17, Leadership Flagler. Congratulations Laura!!

Leadership Flagler is a program dedicated to training community leaders to meet the challenges of the future. A fifteen-session program educates civic-minded individuals about issues and concerns facing the Flagler County area. The program is run by the Chamber of Commerce.

Quotes

Advice is what we ask for when we already know the answer but wish we didn't.

Erica Jong

Education Corner

The first president of Kiwanis International was George F. Hixson of the Rochester, New York, club. He was elected at the first convention in Cleveland in 1916 and reelected the next year. He is the only International President to serve for two terms. The Hixson Fellowship of the Kiwanis International Foundation is named in his honor; Hixson Medals are presented to donors who have contributed at least \$1,000.00 to the Hixson Endowment Fund or the Worldwide Service Project.

Who Needs Laughter?

Best Things to say if

Caught Sleeping At Your Office Desk...

"They told me at the blood bank this might happen."

"This is just a 15 minute power-nap as described in that management course you sent me."

"Whew! Guess I left the top off the White-Out You probably got here just in time!"

"I wasn't sleeping! I was meditating on the mission statement and envisioning a new paradigm."

"I was testing my keyboard for drool resistance."

"I was doing Yoga exercises to relieve work-related stress."

good luck
